VALLE TROMPIA MASTERPIECES

TRAVELLING THROUGH LANDS AND ARMS COMPANIES

2 days / 1 night

A journey in the "land where the Mella river
flows, rich in honour, iron and courage.."

LA FUCINA
DI VULCANO

 **BERETTA**

THE VOLCANO SMITHY

Ideal for 25 participants

Just like the work in the smithy of the Greek God Hephaestus (for Italians the volcano), it also was for workmen in Valle Trompia and still it is and stays a place where iron is important for every work. Come and see the iron smithy, mining industry and arms manufacturer as well as the international well-known business: the armaments factory Pietro Beretta Spa.

First day (Friday)

- Guided tour of the **Private Collection**, the **Fabbrica d'Armi Pietro Beretta Spa** and the **Casa Natale Beretta** in Gardone Val Trompia
- Possibility to buy clothes and equipment for hunting in special shops
- Light lunch in a restaurant or in an agriturismo
- Visit with a guided tour of the **Museum I Magli** (heavy hammers) of Sarezzo
- Typical dinner in a restaurant
- Overnight stay in a hotel

Second day (Saturday)

- Breakfast in the hotel
- Visit with a guided tour of **Mining Industry Marzoli** of Pezzaze
- Typical lunch in a restaurant or in an agriturismo
- Visit of the Smelting **Furnace Museum** of Tavernole s/M

“INSIDE AND OUTSIDE” OF THE MOUNTAINS

Ideal for 10 participants

This trip in the centre of Valle Trompia with its traditions and mountains is perfect for those, who love the nature and sport. Discover the secrets of the Triumplino mountains with an exciting trekking tour through mining or with a hanging itinerary full of adrenalin in the Mining S. Aloisio of Collio while passing the Path of the Big War on the Mountain Maniva with a phase of shooting under the National Sign of Gardone in Valle Trompia and visit of armaments factory of Zoli Antonio Srl, which produces sport-guns for three generations for Olympic competitions.

First day (Sunday)

- Walks through the **Path of Val delle Melle** of Marmantino

**Protected Denomination of Origin*

ARMI PIOTTI

ON TRAIL OF DAMASK

Ideal for 4/5 participants

“Because of interweaving of iron and steel rods the brescian damask came to existence”. From this antique work, valuable production of guns got produced and today they are protected by smithies in the village Maglio of Ome, in Franciacorta. The factory Fratelli Piotti of Gardone Valle Trompia took some own guns to heart in its collection, true and own craft jewelry which are self-made, thanks to pass on as a passion between father and son.

First day (Friday)

- Visit with a guided tour to armaments factory **Fratelli Piotti** of Gardone Valle Trompia
- Light lunch in a restaurant or in an agriturismo
- In alternative to that you can walk through **Valle D'Inzino** along the torrent Re with snack
